FREQUENTLY ASKED QUESTIONS (FAQ)

About Big Red Funding

What is Big Red Funding?

Big Red Funding is a business funding platform enabling you to quickly and easily discover funding solutions tailored for your business across loans and equity. Using the platform will speed up and simplify access to the funds you need.

How will it make it easier for my business to access finance?

The basic premise is to open the funding market to your business. We want to give businesses immediate access to the funding options that are on the market that they're eligible for, and the ability to simply and quickly apply. It will mean you don't have to fill in endless forms and provide pages of information without knowing whether you will get the funding you need. Big Red Funding searches products from every provider in the market to give the most suitable matches.

What information will I need to provide?

As a Big Red Cloud member you can set up a free account. You will need to add information about your business and the funding that's needed.

FREQUENTLY ASKED QUESTIONS (FAQ)

Troubleshooting and technical questions

Why is my bank account not integrating?

When you are integrating your account with the Big Red Funding you are doing so via the Open Banking API, so your business current account transactional data will be pulled. Please ensure that you enter your main business current account details and not any other account details. If you are still experiencing problems, please call **+353 1 697 2800** from 9am to 5pm or send an email to [**bigredfunding@swoopfunding.com**](mailto:bigredfunding@swoopfunding.com) and a member of the technical team will investigate the matter for you right away.

I've signed up and not received a verification email, what do I do?

Please check your junk mail or spam as sometimes the verification email can go into these folders. If not, please either call our hotline on **+353 1 697 2800** from 9am to 5pm, or email [**bigredfunding@swoopfunding.com**](mailto:bigredfunding@swoopfunding.com) and a new verification email will be sent to you promptly.

How do I delete my account?

If you wish for your account to be deleted, please either email [**bigredfunding@swoopfunding.com**](mailto:bigredfunding@swoopfunding.com) or call the hotline number on **+353 1 697 2800** from 9am to 5pm and the team will arrange for your account to be deleted. You will receive confirmation once this has been done.

I've forgotten my password, what do I do?

There's no problem if you forget your password. Just go to login as usual and click on 'forgotten password' link. You will then receive an email with instructions on how to reset your password. If you experience any further issues, please either email [**bigredfunding@swoopfunding.com**](mailto:bigredfunding@swoopfunding.com) or call the hotline number on **+353 1 697 2800** between 9am and 5pm.

FREQUENTLY ASKED QUESTIONS (FAQ)

Funding Questions

I don't know whether my business is eligible for any funding, how can I find out?

Big Red Funding will analyse the data you provide and calculate your viability for funding. It will then match you with the appropriate funding providers. A team of funding experts will be on hand to speak with you and guide you through the process. The searches through Big Red Funding do not affect your credit score and no credit checks are undertaken by Big Red Funding.

What types of Big Red Cloud members businesses can use Big Red Funding?

Any Big Red Cloud member business can utilise Big Red Funding; this includes Sole Traders, Partnerships, Limited and Public Companies.

Why not go direct?

You're welcome to go direct to a lender should you have one in mind — but Big Red Funding is here to make the process of finding tailored business finance faster and easier for you. We work with these lenders every day, so know what they're looking for, making the likelihood of getting accepted higher. This doesn't add to the cost, and you'll get the same interest rate — or better — than going it alone.
